

#passionfortimber

**Let us shape
the future out
of wood
together.**

The Pfeifer Group is one of the largest companies in the European wood industry. Since 1948, we have lived our passion for wood. Our 2,600 employees share this enthusiasm and form the foundation of our success.

WE ARE LOOKING FOR

Production Planner

Processed Wood Products Division

FULL-TIME – PERMANENT

**Kuusamo or Taivalkoski
FINLAND**

Main responsibilities

- › Management of raw materials
- › Allocation and balancing of processed product production between plants
- › Execution of sales and monitoring of production
- › Monitoring capacity and handling deviations
- › Processing and responding to new product inquiries

What we expect

- › Relevant technical or commercial education or equivalent work experience
- › Fluent English skills
- › Good teamwork and interpersonal skills
- › Ability to work under time pressure
- › Self-directed and goal-oriented work approach, as well as an open attitude toward changing challenges
- › Decision-making and organizational skills
- › A genuine desire to learn and develop operations together with the team.

What we offer

- › A varied and impactful role in production
- › Quick start and permanent position in a family-owned global company
- › Thorough onboarding and support from an experienced team
- › Friendly colleagues and an open, welcoming work culture
- › Safe, comfortable workplace in the scenic Koillismaa region
- › Excellent benefits: top-tier healthcare, wellness support, and leisure opportunities

We are looking forward to receiving your application at jobs.pfeifergroup.com
